This notice of meeting is for the public's information only. It is not a meeting of the Santa Barbara School Districts Board of Education.

At the above time and place, there will be a public meeting to which local school board members from various districts have been invited to hear a presentation by attorney Mary Dowell, partner in Liebert Cassidy Whitmore. The focus of the presentation will be the Brown Act and board procedures/protocols. Members of the Santa Barbara School Districts Board of Education will be attending and may participate in the discussion. There will be no action taken by the SBSD Board.

Community members may observe the workshop, but there will not be an opportunity for audience participation.

An earlier posted notice incorrectly described the meeting and provided the wrong time.
