Estimated Time

The time at which an item is scheduled is an estimate only. The board may consider and act on an agenda item in a different order or an item may be considered earlier or later than the estimated time. Additionally, discussion of agenda items may be postponed to a future meeting. All persons interested in an item listed on the agenda are advised to be present throughout the meeting to insure that they are present when the item is called.

Each speaker is limited to three minutes or less. When a speaker wishes to comment on multiple items, his/her time may be limited so as not to interfere with the timely completion of the board's business. Written comments may also be submitted. Comments on conference and action agenda items are taken during consideration of the item.
