Community meetings regarding feasibility analysis of Hidden Valley and Tatum sites.

Santa Barbara School Districts

will be holding three community meetings to provide
an update on the status of the feasibility analysis
of two sites owned by the districts,
Hidden Valley and Tatum ,
and to receive community input.

Meeting dates, times, and locations

Three different meetings, each covering the same materials, will be held in order to accommodate as many people's schedules as possible. Therefore, please participate in whichever meeting is most convenient for you.

Friday, March 17 at 3:30 – 5:30 p.m.

Santa Barbara Junior High/Globe Theater
721 East Cota Street

Saturday, March 18 at 9:00 – 11:00 a.m.

San Marcos High theater – 4750 Hollister Avenue

Monday, March 20 at 7:00 – 9:00 p.m.

La Cumbre Junior High theater – 2255 Modoc Road

The meetings will include a presentation that will summarize the following: the purpose and goals of the feasibility analysis; the information that has been gathered to date regarding market issues and development constraints on the sites; and potential uses for the sites. The meetings will also provide an opportunity to discuss, in a small group setting, "big picture" issues regarding development of these properties, including: the need for providing additional revenue sources to the districts to maintain and/or expand educational programs; the need for reasonably-priced, high-quality housing for employees of the districts; characteristics of a healthy and vibrant community, and how they should be factored into the development equation; and the impacts of development on the community and how they may be addressed.

Current and future employees of the districts, neighbors of the properties, and others interested in providing greater fiscal stability to the districts and/or reasonably-priced housing options to local employees are encouraged to attend one of the meetings.

For more information call (805) 963-4338, ext. 238.
