

Santa Barbara School Districts

January 23, 2008

TO: Board of Education Members
FROM: Brian Sarvis, Superintendent
SUBJECT: Interim Fiscal Report by School Services of California

Conference Agenda

Background

At the October 9, 2007 board meeting the board of education approved a contract with an independent fiscal services organization, School Services of California, to provide a fiscal health analysis, comparative analysis, and fiscal services division efficiency review. Materials from School Services are not available in advance but will be provided at the board meeting.

Issue

School Services of California representatives will present an interim fiscal review including a multiple year projection based on the new governor's budget proposal.
