

# Santa Barbara School Districts

Date: April 8, 2008

To: Dr. J. Brian Sarvis, Superintendent

From: David J. Hetyonk, Director of Facilities and Operations

Subject: Approval of Proposal from Knowland Construction Services for Division of State Architect Inspection for La Cuesta Continuation High School Modernization and ADA Work at the Santa Barbara High School Campus.

Bond Fund Consent Agenda: XX

Background:

As part of Measure V modernization and our lawsuit settlement, modernization and ADA work is required at Santa Barbara High School in the areas occupied by La Cuesta. This project will receive State matching funds and a Division of State Architect (DSA) licensed inspector is required for this project. Knowland Construction Services has provided DSA inspection on pervious Santa Barbara High School, San Marcos High School and La Cumbre Junior High School Measure V projects and the district is pleased with the services provided.

Plan:

The inspector will split his time between seven projects at Santa Barbara High School and the attached proposal from Knowland Construction Services was requested by the district. This proposal is for 480 hours of inspection.

Fiscal Impact:

\$40,800

Funding Source:

Measure V bond funds (fund 21)

Recommendation:

It is recommended that the Board Approve the Proposal from Knowland Construction Services for Division of State Architect Inspection for La Cuesta Continuation High School Modernization and ADA Work at the Santa Barbara High School Campus.
