

Santa Barbara School Districts

Date: June 17, 2008
To: Dr. J. Brian Sarvis, Superintendent
From: David J. Hetyonk, Director of Facilities and Operations
Subject: First Reading of Changes to Administrative Regulation 1330, Use of School Facilities

Conference Agenda: XX (Time Required: 5 min.)

Background:

On July 10, 2007 the Board adopted a revision to Board Policy and Administrative Regulation 1330. As part of the revision of fees, the direct fee was reduced in conjunction with the elimination of some categories of free use.

Issues:

- Board approved fundraisers are under the free use category. PTA/PTO fundraisers do not come before the board for approval. I recommend these fundraisers be added to the free use category.
- When the board approved revisions to free and direct cost use, part of the intent was to reduce the direct cost rate used by non-profits and others to provide activities for our districts youth. The intent was not to provide non profits and others with a reduced rate (direct cost) for events that were for the financial gain of the organization or an event in which participants were not the youth of our districts. To that end, I recommend the final four words, "...or for charitable purposes", of the last bullet under Fair Market Value Use be eliminated to avoid confusion.
