 Subject: Approval of State Teacher’s Retirement System (STRS) earnings exemption.

Consent Agenda: X

Background

This past June we received the resignation of our 50% time Orientation and Mobility Specialist. After an extensive recruitment, we interviewed and hired Carlo Logan who has had just retired from Ventura County. Because he is retired, and was the only person who applied, we need to file an earnings exemption with the State Teacher’s Retirement System (STRS). The current earnings limitation is \$29,700.

One of the requirements on the paperwork for the exemption is a copy of the minutes of the Governing Board’s meeting in which the employment and the exemption were publicly reported. Once we have a copy of this information, then we can file the exemption with STRS.

Recommendation

That the Board of Education approve the STRS exemption for Carlo Logan, Orientation and Mobility Specialist.
