RE: **Year-Round Calendars for 2010-2011**

---

Please find attached a copy of calendar for the year-round schools for the 2010-2011 school year. You and the Board have already seen copies of the elementary, secondary and year-round calendars for 2010-2011 in two earlier closed session meetings. The finalized elementary and secondary calendars were recently submitted to you in a Board Brief by Robin Sawaske and have already been delivered to our feeder school districts as well as Santa Barbara City College.

The year-round calendar took longer to develop because I needed to work with the SBCA and Cleveland Principals to finalize dates for parent conferences and staff development. Due to their intersession breaks it was difficult to coordinate schedules to meet.

The year-round calendar will be submitted to our feeder schools immediately and all three 2010-2011 calendars will be posted on the District Website for public access.

Please let me know if you have any questions.
