**MEMORANDUM**

To: Dr. J. Brian Sarvis, Superintendent  
From: David Hetynok, Director of Facilities and Operations  
Subject: Portable Classroom Relocation at Washington Elementary School  
Date: December 9, 2009

On September 22, 2009 the Board awarded a contract in the amount of \$1,059,000 to Hanly General Engineering Corporation for the subject project. This project is to reconfigure portables and add a portable restroom to bring Washington Elementary School into compliance with the Mitchum Settlement for ADA compliance.

The district is funding \$850,000 of this project from municipal lease financing. At the time of board approval, the availability of Measure I-98 funds to fund the remaining amount was in doubt and other funds were listed as possible funding sources. The difference is available in Measure I-98 and that fund is appropriate as this is ADA modernization work and Measure I-98 was used for this purpose at other elementary sites.

This project will be funded from Municipal Lease Financing and Measure I-98 (fund 24).

Cc: Eric D. Smith, Deputy Superintendent  
Meg Jette, Director of Fiscal Services  
Romy Pacoan, Capital Funds Accountant  
David Weniger, Construction Manager  
Lina Plascencia, Construction Documents Technician
