MEMORANDUM

To: Dr. J. Brian Sarvis, Superintendent
From: David Hetyonk, Director of Facilities and Operations
Subject: Update on s'Cool Gardens
Date: January 28, 2010

As previously reported in a 9-11-09 board brief and with Board approval of MOU's with Orfalea Foundation and SBCC, the gardens are moving forward.

Legal counsel for the districts ADA Mitchum settlement have advised the districts that decomposed granite (DG) can be used for an accessible path of travel for an auxiliary space such as a school garden. Based on this information the planning department is developing a standard construction detail for sites to follow and those utilizing the gardens will be required to sign an agreement to maintain the paths so they remain accessible.

Final approval was given for the plan at Adams Elementary School and that project is under construction.
