Re: Dedications (Bowen & Richards); LC 50th Anniversary

On May 14, 2010, La Colina Junior High School will celebrate its 50th anniversary. The school opened in September 1959 under the leadership of Principal Mr. Jack Richards. As part of the day long celebration, the school will have an extended lunchtime including a brief assembly, opening of a time capsule, dedication of the library to the 2nd principal in La Colina history, Dr. Robert L. Bowen, a barbecue lunch from food services, dessert provided by the PTSA as well as activities and music. The school would like to invite the Board of Education and the superintendents to join in the celebration.

It should be noted that Mr. Richards was principal until the spring of 1975. The auditorium was dedicated to Mr. Richards in 1997. Dr. Bowen was principal from the fall of 1975 until spring 1997. Mr. David L. Ortiz has been principal since the fall of 1997.
