VISITORS/OUTSIDERS

The Governing Board encourages parents/guardians and interested members of the community to visit the schools and view the educational program.

To ensure minimum interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be first arranged with the teacher and principal or designee. If a conference is desired, an appointment should be set with the teacher during non-instructional time.

To ensure the safety of students and staff and avoid potential disruptions, all visitors shall register immediately upon entering any school building or grounds when school is in session.

(cf. 1112 - Media Relations)

(cf. 3515.2 - Disruptions)

For purposes of school safety and security, the principal or designee may design a visible means of identification for visitors while on school premises.

No electronic listening or recording device may be used by students or visitors in a classroom without the teacher and principal's permission. (Education Code 51512)
