SUMMER SCHOOL

The intent of the district is to provide summer school to the extent allowed by the funding received. The summer school program will be designed to provide both remedial and enrichment classes for students.

Summer school will be held on designated campuses in the Elementary and High School Districts. It shall be the responsibility of the site administrators at each designated site to administer the summer school program.

The intent of the district is to select competent teachers on as equitable a basis as possible for summer session staffing.
